

Date: 1 December 2017

Subject: 2018 Business Hours

Enclosed: 2018 Holiday and Revised Work Schedule

Effective January 1, 2018 we will transition to a 9/80 work schedule, which is compressed work schedule consisting of eight 9-hour days, one 8-hour day, and one day off over a two week period. Accordingly, CPI will be closed every other Friday beginning January 12th.

Our revised work schedule is being implemented to improve quality of life for our employees, but we remain committed to supporting our customers. Accordingly, we will continue to analyze our business needs and provide support on extended hours as deemed necessary by executive management.

Enclosed is our detailed work schedule for calendar year 2018, clearly depicting all non-work days that are either holidays or a result of our revised work week schedule.

Please distribute this information throughout your organization as appropriate.

I also want to take an opportunity to thank all of you for your support during 2017 and wish you a joyous and safe holiday season!
